VISION

At our school, we envision a world where every student has the opportunity to unlock their full potential and become a well-rounded individual who is equipped with the knowledge, skills, and values needed to thrive in a rapidly changing global society.

We strive to create a learning environment that is inclusive, engaging, and challenging, where students are encouraged to explore their interests, pursue their passions, and develop a sense of social responsibility. Our vision is to prepare our students to be lifelong learners, critical thinkers, and effective communicators who are ready to make a positive impact on the world.

MISSION

Our mission is to prepare our students for life outside of the classroom. We strive to provide an academic atmosphere that stimulates and engages learners, while integrating technological advances, athletics and the arts. By experiencing this unique combination of learning opportunities, our students will become confident problem-solvers and leaders who are willing to take on any challenge that comes their way.

PRIMARY YEARS PROGRAM

At Westfield International School, we have adopted a comprehensive system of education which is tailored to include the guidelines prescribed by the Cambridge Primary School program Aligned with National Education Policy 2020 and blended with the curriculum.

We place a lot of emphasis on cross-curricular learning between linguistic, mathematical, technological, artistic, musical and sports activities.

In addition, we are committed to providing equal opportunities that meets the needs of children with varied abilities.

We believe that education should go beyond just imparting knowledge. We believe in creating an environment that encourages curiosity, creativity, and exploration. Our students are encouraged to ask questions, challenge assumptions, and think critically about the world around them. We also believe that education should be fun, engaging, and relevant to the real world.

CURRICULUM MODEL

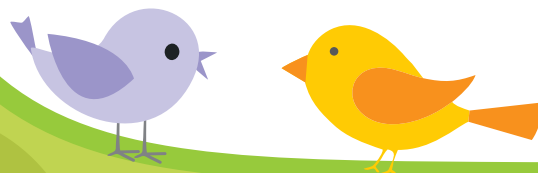

We believe that the ambience in which children grow up plays a big role in their holistic development, which is why we make sure that the ambience is playful, cheerful, and comforting, making the children feel at home.

All of our classes include age suitable preschool curriculum, where children develop the skills necessary for reading, writing, following directions, decision making and socialisation. Art activities, organised games, students-teacher one-on-one interactions, free play and multiple other activities are part of the daily lesson plans to ensure a well-rounded experience for your child.

Our curriculum is mapped according to the child's age. It is designed in a suitable way that the outcome will help the children to start discovering themselves through their school environment, peers and teachers.

Here's what we focus on:

- An international standard curriculum with creative and fun-learning activities.
- Use of art as a symbolic language, for learning and imagination, to promote creativity and innovation.
- Environment rich in possibilities that encourage exploration, inquiry and problem-solving skills.
- Learning through sensory experiences involving touching, moving, listening, seeing, and other entertaining activities.
- Creating excitement and joy in the learning process.
